ITEM DESCRIPTION: Passenger and Commodity Loading Zone at Charter House**PREPARED BY:** D. Kramer

D. Kramer

The administrator of Charter House, 211 2nd Street NW is requesting a parking restriction change on the north side of 2nd St NW between the driveways for the loop in front of the building. The request is to change this space from "No Parking Any Time" to "Passenger and Commodity Loading, 10 Minute Limit". There is space for one parking stall between the driveways. The remainder of the north side of this block is currently metered parking, and would remain as such.

The change would facilitate deliveries such as florists or prescriptions, while keeping the small loop driveway open for resident pick-up/drop-off. The change is not expected to cause undue visibility problems.

Typically in addition to establishing the new zone, such a change would require deleting or modifying the existing zone. However we were unable to locate a resolution establishing the current No Parking restriction.

**COUNCIL ACTION REQUESTED:**

Approve a resolution to amend the Comprehensive Traffic and Parking Resolution to add paragraph 2.9 to Section J "Passenger and Commodity Loading Zones" as follows:

- (2.9) 2nd Street NW on the north side, one stall centered 145 feet, more or less, west of 2nd Avenue NW, 10 minute limit.
